Rules to deliver the cat:

The cat must be vaccinated and neutered. The animals are supplied with primer or passport and rabies vaccine. Certifying the health card or veterinary certification.

In the case of urgent veterinary intervention costs will be borne by the owner of the cat. During the period of accommodation we will monitor the health of the animal, attitude or communicating any anomalous situation that could compromise the housing.

The owner of Cat Suite Home Spain and his company are not responsible in case of illness, death of the cat or even by any event outside of Cat Suite Home that affects your cat / s.

Delivering the advance or the total cost of your stay, the cat owner is compromising though not void the agreement, if you cancel the service lose partial or total amount paid.

If the cat goes outside Feline Leukemia Vaccine is recommended.
